

# 2021 5 Day Bible Reading Program

**Read the entire Bible or just the New Testament in 2021!**

**Chronological reading plan helps the Bible make sense!**

## WHY THIS PLAN?

This special Bible reading system allows you to read the entire Bible (or just the New Testament) in one year while only reading five times a week. Five readings a week gives room to catch up or take a day off to focus on other Bible readings or spiritual disciplines, and makes daily Bible reading practical and do-able.

Many people have successfully reached their goal of regular Bible reading using this schedule. Further, reading the Old Testament in chronological order (even the Psalms have been placed chronologically when possible) aids understanding of the Bible story, and helps the reader to look forward to reading God's Word. The New Testament readings space the Gospels out throughout the year to keep the reader constantly coming back to the life and teachings of Jesus.

Always do the reading in the order it appears on the schedule. For example, if a reading from Chronicles appears before Kings, read from Chronicles first. Check off each day's reading and then check off each week in the Weekly Progress Register. You will be amazed at how soon you are deep into the year and still reading your Bible regularly!
