A Special Report And Thank You From The Women's E Connect Group

A special thanks to Cornerstone and friends for enabling Women's E members to collect our Clothing Drive donations. The CBC staff was so helpful and the classroom was an ideal and convenient location. When I shared the results of our Love Offering Project with members of Women's E, Sister Vera asked that I share this information with you.

Women's E Connect Group members selected Mission Arlington/Mission Metroplex as this year's recipient of our annual Love Offering Project. Because of the pandemic, the organization has experienced a dramatic increase in requests for clothing and personal items, while the supply of requested items was at an all-time low. Women's E members stepped in to replenish supplies by holding a Clothing Drive. Sonja Fowler and Ora Woods coordinated the effort. Members of our class accepted, inspected, sorted and packaged the donated items.

Our Clothing Drive was a tremendous success. We collected 3,360 items (2,960 clothing items; 400 personal care items). There were hundreds of clothing items for males and females ranging in sizes from infants to adults. There were more than 150 winter coats/jackets. Many clothing items had the original price tag attached!!! The personal care items included dental hygiene items, lotions, shampoo, etc.

The only "small" problem that we experienced with this project was the size of the truck. When the first Mission Arlington truck arrived, the driver was amazed at the volume of items and realized the truck was too small!!! A large panel truck was dispatched immediately to collect our items. Praise God!!!

Mission Arlington representative Debbie Musgrave was the contact person for this project. She has expressed her sincere appreciation for our efforts.

We are pleased that our Love Offering Project will bless many families in our community for Christmas and beyond.

A SPECIAL
THANK YOU
