WORSHIP NIGHT

It's time to worship!

If you're a part of our Ambassador Young Adult Ministry (ages 18-35), we will be hosting bi-monthly worship nights. The first one will be taking place on Friday, November 12th at 7:30pm out in the foyer.

This worship night will be a little different. There are 5 spots open for those who want to participate in leading the worship whether in poetry, spoken word, song, prayer, and scripture reflection worship! If that sounds like you something you want to participate in, record a 30-50 second clip of what you want to do (singing, speaking, etc.) and send that to connect@cbe.carlington.org. There are only 5 spots so do it fast.

Looking forward to an intimate time of sharing and worship.

Let's Talk

An Online Faith-based Conversation with the Surgeon General Dr. Vivek Murthy Regarding COVID, Vaccination and Mental Health

Sun, Oct 24
4:30 - 5:30PM CST

Register at: bit.ly/NBCCLetsTalk

During the past 20 months the COVID-19 epidemic has affected a staggering number of people throughout the US. According to the most recent estimate, more than 700,000 have died and over 5.9 million children have been infected. We all have questions about the virus, the vaccine, and the future. NBCC, in partnership with a wide range of churches and faith-based organizations across the country, is sponsoring a virtual conversation with Surgeon General Dr. Vivek Murthy on Sun, Oct 24 at 2:30 PM PT (5:30pm ET) to answer our questions.

Although the pandemic's impact is touching an extraordinarily diverse population spanning ideological, political, and theological viewpoints, the epidemic has been politicized to the point that it's hard to separate facts from fiction. To credibly address the questions and concerns of such a diverse population, we are assembling a panel of facilitators from various faith backgrounds to participate in a Q & A with Dr. Murthy. The goal is not to persuade but to inform.

Dr. Murthy will provide the most up-to-date information the scientific and medical communities have available regarding COVID-19 and how to combat it. Participants have the opportunity to submit questions in advance.

The pandemic, coupled with our current political climate and racial unrest is having an enormous impact on our mental health. Dr. Murthy, whose book, *Together: The Healing Power of Human Connection in a Sometimes Lonely World* addresses mental health concerns, will also discuss how the current climate is affecting our mental health and offer advice on how to cope during these challenging times.

The churches and faith-based organizations sponsoring this event encourage everyone to abide by local, regional, and national mandates and advisories in addressing COVID-19. We appreciate Dr. Murthy for taking the time to meet with us virtually to inform us fully. We recognize that our task is to ensure that everyone has the most accurate information available.

MINISTRY OPPORTUNITIES

Sons of Daniel Mentoring Ministry 2021-2022 Registration Is Now Open!

What Is the Sons Of Daniel Mentoring Ministry?

The Sons of Daniel Mentoring Ministry was developed to provide guidance to young men in the 4th through the 12th grades, as they move through their years of adolescence. We focus on both, young men who have fathers, as well as young men who do not have fathers active in their lives.

In the Sons of Daniel Ministry, the young men are divided into 3 groups:

* Cubs (4-6 grades)

* Hunters (7-9 grades)

* Kings (10-12 grades)

Each group is led by a team of godly male mentors. We seek to give each young man godly principles of manhood in hopes of providing a successful transition into adulthood. The mentor's basic responsibility is to support the family in guiding the young men through the process of becoming a responsible adult.

Our mentoring sessions start September 12, 2021 and run through May of 2022. We meet the 2nd and 4th Sundays of each month from 5-7PM in the Multi-Purpose Room.

Text SOD22 to 817.468.0083 to sign up and complete the application for participation. Even if you've participated before, you must sign up each year.

Daughters of Deborah Mentoring Ministry 2021-2022 Registration Is Now Open!

Mentoring Program

2021-2022 registration is open. Girls entering 4th through 12th grades are invited to sign up to participate for the 2021-2022 calendar year. There is no fee to enroll! However, there may be small amounts of money required for special outings by individual groups. The largest expense is the annual retreat. Our policy is to "leave no girl behind" because of finances. Register by texting "DOD22" to 817.468.0083.

What is Daughters of Deborah?

The Daughters of Deborah mentoring program is a discipleship training program for young ladies in grades 4-12. The program meets bi-monthly from September to May. The young women in each grade level are paired with a group of mentors who share with them wisdom from God's Word, a planned curriculum, and their own life experiences. During the course of the year the young ladies have an opportunity to make Christian friends, share in volunteer learning experiences while being able to discuss critical issues pertaining to their own lives in a comfortable setting. They also engage in seminars, etiquette sessions, cultural outings, sleepovers and an annual retreat. The year culminates with an annual celebration in May.
